BushwickBK.com: I say "both" but there are several sides
me: yeah
BushwickBK.com: it's breathtaking, the stupidity
BushwickBK.com: both sides have been saying retarded things tho
BushwickBK.com: besdies that would be a good enough separation
me: word
BushwickBK.com: I really want to try to keep on schedule
me: okay
BushwickBK.com: would be good to run monday
me: maybe I should do a column on this whole hipsters v. natives nonsense and send it in later today?
me: oh, absolutely!
BushwickBK.com: you're a true cultural bridge
me: I sort of live within both camps insomuch as that I'm a hipster but have three puerto rican drug dealers in my living room right now prepping $3,000 of weed
